

Your One-Stop Source for All Industrial and Office Needs

Authentic | Competitive | Always on Time

IndustryMRO
Simplifying Industrial Supply

**Your *Reliable*
Procurement Partner!**

About Us.

At Industry MRO, we believe that Industrial Procurement should be simple, reliable, and cost-effective. Our platform is designed to connect businesses with a trusted network of suppliers, delivering everything from essential tools to advanced machinery — all under one roof.

With years of experience in industrial trade and supply, our mission is to streamline the procurement process for businesses of all sizes. Whether you are a manufacturing plant, a construction company, a laboratory, or a corporate office, we ensure that you get access to the right products, at the right price, at the right time.

Our Vision

To become the most trusted B2B marketplace for MRO supplies, empowering industries to operate efficiently, reduce downtime and scale with confidence

Our Mission

To provide seamless procurement solutions backed by a wide product catalog, strong supplier partnerships, competitive pricing, and world-class customer support.

Why Choose Us? _____

- ✓ Wide Product Range under One Roof
- ✓ Bulk Order Discounts
- ✓ Trusted & Verified Suppliers
- ✓ Hassle-Free Returns & Easy Payments
- ✓ Pan-India Delivery Network
- ✓ Dedicated Customer Support
- ✓ Customized Tools & Fixtures

SERVING INDUSTRIES ACROSS SECTORS

At Industry MRO, we are proud to support a wide range of industries with the products and solutions they need to keep operations running smoothly. Our platform is designed to serve businesses of every scale – from startups to large enterprises – with the same commitment to quality and reliability.

1

Manufacturing Units

Essential supplies for machinery, tools, safety equipment, and maintenance products to keep production lines running without downtime.

2

Construction Companies

From heavy-duty tools and fasteners to safety gear and electricals, we help construction projects meet deadlines efficiently and safely.

3

Healthcare

High-quality lab equipment, safety gear, and cleanroom essentials to maintain compliance, hygiene, and productivity.

6

Automotive & Engineering

Specialized tools, industrial consumables, and precision equipment to support workshops, engineering firms, and auto manufacturers.

5

Educational Institutions & Labs

Laboratory instruments, testing equipment, and research supplies to empower students, researchers, and educators.

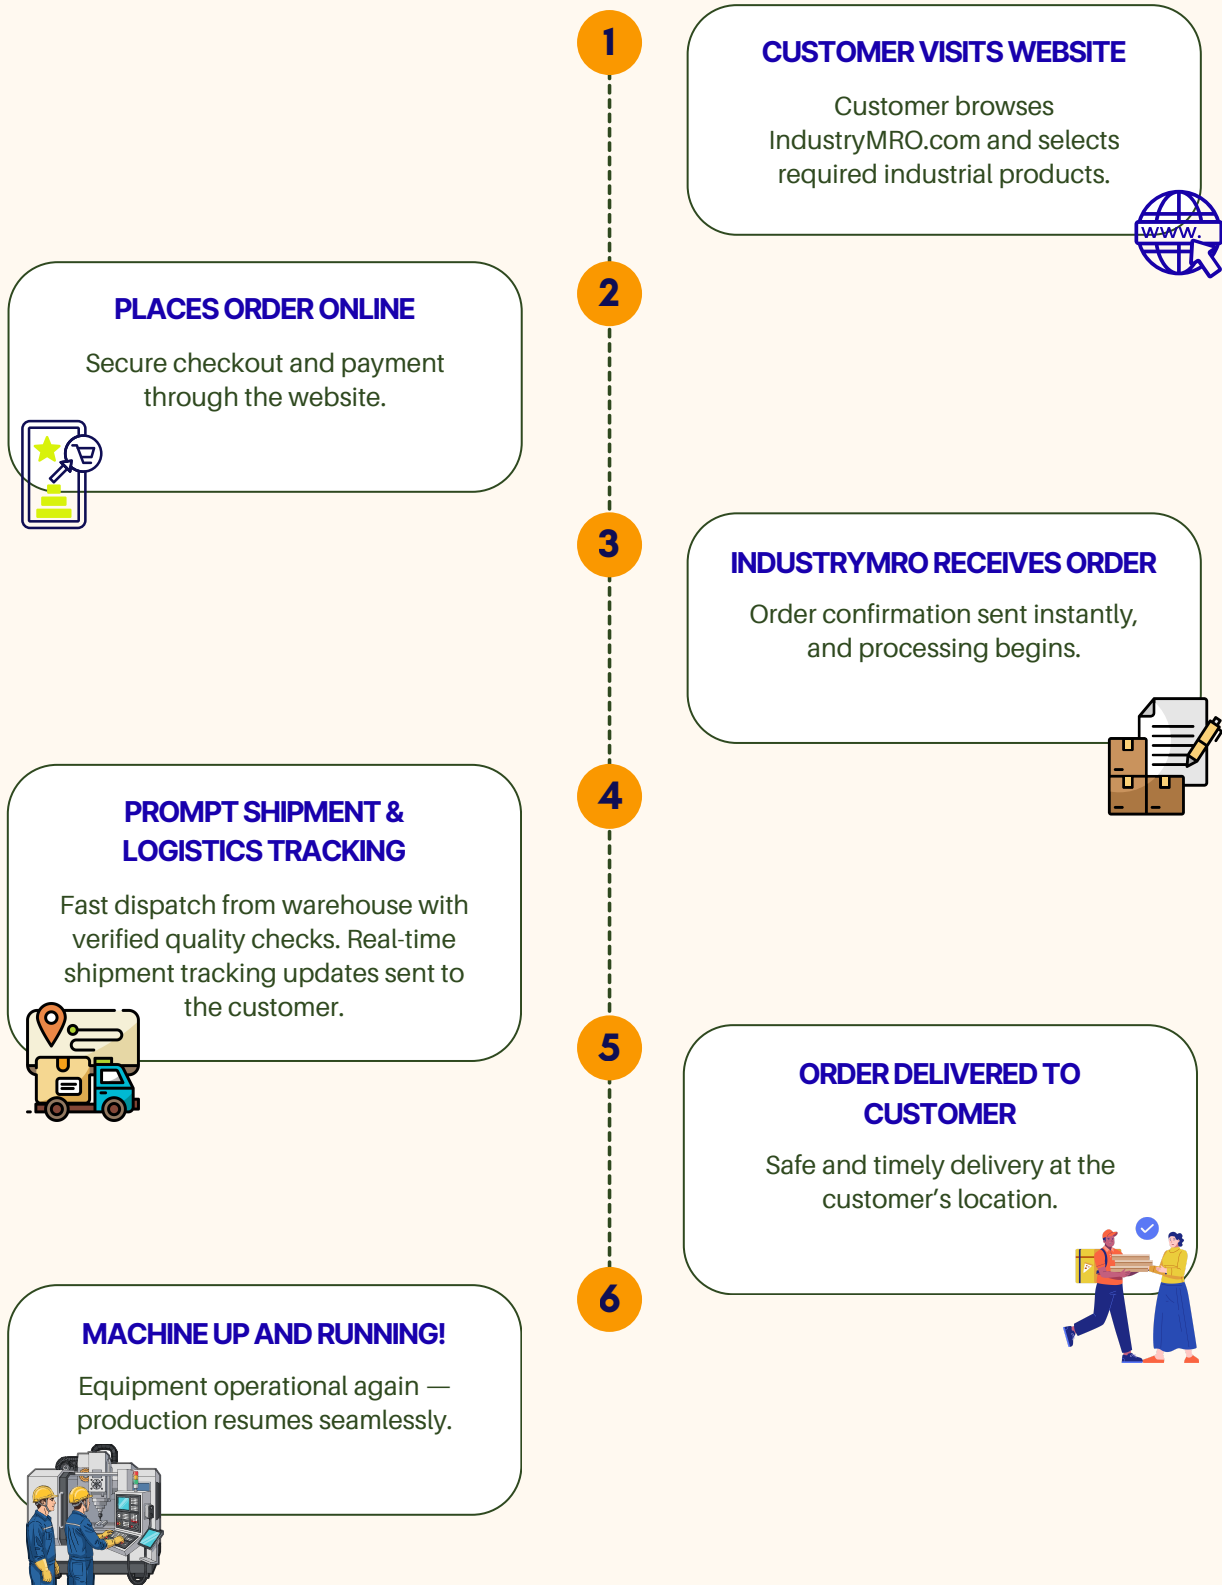

4

Corporate Offices

Office supplies, storage solutions, and facility management products to keep workplaces organized and efficient.

HOW WE WORK

A faster, smarter, and more reliable procurement process that saves you time, money, and effort, allowing you to focus on what matters most — growing your business.

"IndustryMRO has been a reliable procurement partner for us at Triumph Mould Tech. Sourcing industrial supplies has become much faster and hassle-free. We highly recommend them for any manufacturing business looking for quality MRO products."

AMIT VERMA (TRIUMPH MOULD TECH IND.)

"We at UV Lite have been sourcing our MRO requirements through IndustryMRO, and it has been a great experience. The product quality is consistent, and the team is responsive. A trustworthy platform for industrial procurement."

AJAY JAIN (UV LITE)

"Honestly, finding a reliable MRO supplier in India is not easy. IndustryMRO has made that process simple for us at Mehra and Sons. Good products, fair pricing, and a responsive team. We keep coming back."

KAPIL SHARMA (MEHRASONS COATINGS)
